

Edinburgh and Lothian
**Prostate Cancer
Support Group**

Patients Supporting Patients

YOU ARE WARMLY INVITED TO OUR NEXT MEETING
7.00 pm on Thursday 9th November 2017
at the Maggie's Centre, Western General Hospital

The next meeting of the group will be on Thursday 9th November, when our main speaker will be **Lynne Connolly, Marie Curie Community Palliative Care Nurse Specialist**. Lynne 's current role with Marie Curie involves offering specialist care and support to help individuals live with their illness as well as possible and also provide support for their family and friends. She will be speaking about her work and also the work of Marie Curie in general.

At the meeting there will be an exploration of the group's brand new website, and a brief reflection of our highly successful event at BT Murrayfield on 7th September, at which we were delighted to welcome 138 guests. As ever, there will be time for questions, to catch up with friends and colleagues, and to hear about recent developments in prostate cancer. Join us on 9th November - refreshments are available from **6.45 pm** and we aim to finish by 9.00 pm. When you arrive please register your attendance in the entrance area.

After our November meeting, future member meeting dates are:

- **Thursday 8th February 2018**
- **Thursday 12th April 2018**
- **Thursday 7th June 2018**

Meeting information – and much more - is on our website:
