

Edinburgh and Lothian Prostate Cancer Support Group

Patients Supporting Patients

Activities

Because of the pandemic regular meetings to support members were held electronically. We are extremely grateful to the staff at Maggie's Edinburgh for their invaluable technical support to enable this to happen. We have kept in touch with our members as best we can by either email, newsletter and telephone.

The Trustees, along with other group members, have continued, as best they can, to work closely with several other individuals and organisations involved in prostate and other cancers.

We are extremely grateful to those who have made such generous donations to assist the group financially during the period. A full record of donations received (and made) has been maintained and individual donations are posted onto the Group's website.

Although the annual accounts reflect an excess of expenditure over income (£1092.31) the Group's financial position is secure.

Looking ahead our aim is to continue to support patients and their carers, families and friends, through men who have themselves been diagnosed with prostate cancer (patients supporting patients). We also aim to continue to foster existing and develop new working relationships with others involved in prostate cancer. We are hopeful that face to face contact with our membership might be able to resume during 2021/22

Once approved by the members at the June AGM a copy of the 2021 annual accounts and the independent audit certificate will be posted onto the Group's website.

22 Ravelston House Road
Edinburgh EH4 3LR

Recruitment and Appointment of Trustees

All the Groups' trustees are appointed or reappointed by the members at our Annual General Meeting which has traditionally been held in June of each year at the Maggie's Centre, Western General Hospital, Edinburgh. However, because of the impact of covid the 2020 AGM was held electronically as will the 2021 AGM

Governing document

The Group is a charitable unincorporated association, registration number SCO41731, and its objectives are as set out in the Group's constitution.

Charitable purposes

These are as recorded in the constitution. In short, to provide support to men (and their carers, families and friends) in Edinburgh and West Lothian, who have been diagnosed with prostate cancer.
