Dear All at Edinburgh & Lothian Prostate Cancer Support Group

Thank you very much to everyone at Edinburgh & Lothian Prostate Cancer Support Group for donating the fantastic amount of £2,000.00 to Prostate Cancer UK. We know that ignoring prostate cancer won't beat it, so thank you for helping us fight the most common cancer in men.

Prostate Cancer UK has a simple ambition – to stop men dying from prostate cancer. Our work in Scotland is helping deliver real change for the 26,000 men living with the disease here. Researchers at leading Scottish universities are hard at work improving the science behind the diagnosis and treatment of prostate cancer. Our Specialist Nurses, peer support, and information services are providing help for those affected by the disease.

"All the way through my prostate cancer journey I turned to the nurses at Prostate Cancer UK. They were invaluable; I refer to them as my angels." *Brian Whitters, Isle of Barra*

Your gift is helping to fund this vital work and thanks to your generosity, the fight against prostate cancer continues.

If you'd like to find out more about the work you are making possible and the services you are supporting, please call me at our Glasgow office on 0141 218 4760 or visit our website www.prostatecanceruk.org.

Thank you again for making a difference!

With best wishes

Marlene Graham
