

Dear Mr Hogg,

Early Day Motion-West Lothian PC Support Group

Thank you for your email letting me know about the great work you are doing at the West Lothian Prostate Cancer Support Group. I wanted to let you know that I intend to table an Early Day Motion (EDM) in Parliament in recognition of this. Please see the text of the EDM below:

That this House congratulates the West Lothian Prostate Cancer Support Group for their efforts to provide support to men diagnosed with prostate cancer and their families since 2007; further notes the importance of the 'Buddy Scheme' which allows men to share their experiences, and the creation of discussion groups for family members to share support and knowledge; further notes the group's collaboration with Western General Hospital, Macmillan Cancer Care, and local GP surgeries to improve the accessibility of support; and wishes them continued success in the future.

I hope that this is welcome news. Please do not hesitate to contact my office if I can be of any further assistance.

With best wishes.

Yours sincerely,

Martyn Day MP
